MIDWEST ARCHIVES CONFERENCE

The annual spring meeting of the Midwest Archives Conference will be held at the Bismarck Hotel in Chicago May 13-15, 1990. Sunday afternoon's plenary session will feature this year's Presidents Award recipients, Vertea Downey and Shirley Hurd, who will speak on the topic "Black Women in the Middle West." Archivists, historians, librarians, museum curators, manuscript curators, records managers, oral historians, and those with an interest in the preservation and use of historical materials are invited to attend the meeting. Chicago is also the site for the annual meeting of the American Association of Museums scheduled for May 9-13.

The program addresses the needs of both the beginning archivist as well as the more experienced practitioner. Session topics include: documenting the Vietnam War, performing arts collections, Chicago's maritime history, minority and gender in college and university archives, documenting environmental projects, small business records, the creation of the Chicago Municipal Archives, documenting women in religion, and an open forum to discuss the direction of MAC in the coming decade.

Fees are $18.00 for advance registration (April 24), $20.00 for late registration, and $9.00 for student registration. For more information and registration packets, contact: Katherine Hamilton-Smith, Midwest Archives Conference Local Arrangements, Lake County Museum, Lakewood Forest Preserve, Wauconda, IL 60084, 708/526-8638.
